

IWA Vintage Class Rules

1. Class will be limited to 1985 and older LEAF SPRING models. No IFS models allowed.
2. Up to 550 cc engine, must match year of chassis and be 85 or older. Any pipes allowed, but must be effectively silenced
3. Rear suspension must be from the manufacturer of the chassis and must be from the same general era. Suspension can be modified including adding or removing parts (no new suspensions)
4. Leaf springs do NOT need to be used, you can use plastic skis mounted directly to spindles
5. Must use a 1-piece molded rubber track
6. Must follow general safety rules identified in IWA rules, Section IV
7. Fuel must comply with IWA rules and will be tested for toxic or hazardous additives.
